

Thank you!

We at the BC SPCA thank you for your support. If the tens of thousands of animals we care for each year could speak, they would thank you, too. Our advances in animal welfare and heart-warming stories featured in this issue would not have been possible without your

generous support of our organization.

We are grateful to you, and the thousands of individuals, families, businesses, foundations and organizations who have made the BC SPCA their charity of choice.
