The practicum program takes place from March to October. Please indicate which months you would be available to take part in the practicum program during this time period if you were to be a successful candidate:

**April      May      June      July      August      September      October**

Practicum periods vary between 3 and 6 months in length. This is a part to full time volunteer position and we do not recommend having other work if you take part in a full-time Practicum role. Shifts will vary from week to week and you must be available to work days, evenings, weekends and holidays during the period of your practicum.

Will you have other work, school, volunteer or personal commitments during your Practicum? If these fall on a specific day(s) that prevent you from being scheduled on that day, or if you have any known absences planned, please provide the specifics below.
