All About Pets Mini Camp! ASD Friendly

BC SPCA Castlegar : 124 Heritage Way

A shorter BC SPCA camp experience for all of our neurodivergent friends who love animals! Campers ages will explore the wonderful world of animals in a way that fits them, with lower staff: camper ratio and adjustments to activities. Campers who need extra support can even bring an assistant or family member to join us. This program also suits campers who just do better in a smaller group and a more laid-back schedule!

Ages: 8-12

Price: \$120
