All About Pets Mini Camp!

BC SPCA Castlegar : 124 Heritage Way

This BC SPCA mini camp explores how we can ensure our pets are getting their "5 freedoms" and living happy, healthy lives! Campers will learn about the needs of pets through games, crafts, take-action projects and guest speakers. When possible, youth may also have the chance to meet suitable pets waiting for their forever homes. Join us as we explore what animals need!
