Summer

Camp

Animals, Ecosystem and You

BC SPCA Victoria: 3150 Napier Ln

Join us this summer to learn about the connections between animals, ecosystems and people, and how we can care for wildlife and the natural environment. This special 5-day camp will include a one day eco-adventure (boat field trip) where campers will learn about local aquatic wildlife. This experience will leave the campers inspired with new knowledge, confidence and sense of purpose, ready to make a positive impact in their communities.

*Time: 9:30 a.m. to 3:30 p.m.
(drop-off begins 30 minutes before event
start time; pick-up extends 30 minutes past
event end-time)*

Ages: 10-13
