BSc (HONS), PGCert (CAB), DipCABT, CBPC

Join us for a weekend with world-renowned animal behaviour and training consultant Chirag Patel. Chirag is highly sought after for consulting with private clients and organizations, such as the BC SPCA, as well as running workshops for professionals internationally. With a passion for ethical, science-based behaviour management and training, Chirag is passionate about enabling animals to be active participants in their own daily and veterinary care.

**This event is for veterinarians, veterinary professionals, animal trainers, animal welfare professionals, and those entering animal behaviour or welfare fields. Continuing education credits available. Visit [spca.bc.ca/abss](http://spca.bc.ca/abss) for ticket prices and more information.**
