

## Make a difference, one wild life at a time. Volunteer.

### Animal Care Team

Do you love wildlife? Do you want to volunteer for a rehabilitation centre that helps more than 3,000 animals a year? BC SPCA Wild ARC is currently seeking volunteers to assist with the care of sick, injured, and orphaned wild patients, and help maintain the rehabilitation facility.

#### Skills and Experience:

- Comfortable and patient around small birds and mammals
- Good communication skills and ability to follow instructions
- Able to prioritize and work independently
- Previous animal experience is beneficial, but all necessary training is provided

#### Responsibilities:

- Prepare diets and administer feedings to adult and juvenile wild patients
- Monitor health and condition of animals under the guidance of wildlife rehabilitators
- Clean cages, pools, and aviaries
- Laundry, dishes, and general cleaning duties
- Set up indoor and outdoor habitats for wild patients

#### A Message from the CEO

Our volunteers make it possible for us to care for over 40,000 animals a year. Volunteers not only have a direct impact on these animals' lives but also in their communities. With the support, knowledge and passion of our volunteers, we continually raise the standards of animal welfare in this Province.

Craig Daniell,  
Chief Executive Officer

#### BC SPCA Wild ARC

1020 Malloch Road  
(250) 478-9453  
[www.wildarc.com](http://www.wildarc.com)

#### Contact Information:

Assistant Manager  
[info@wildarc.com](mailto:info@wildarc.com)

### Benefits For You!

- Unique opportunity to work as a team helping wildlife return to health
- Expand your knowledge and skills in the field of animal care
- Increase your awareness of local wildlife species, natural history, and urban wildlife issues and welfare

#### Time Commitment:

- This role involves a regular weekly four-hour animal care shift
- Volunteers must commit to a minimum of one shift a week for a period of six months

#### Requirements for the Position:

- 19 years or older\*
- Tetanus vaccine
- Completion of Volunteer Orientation and classroom workshop series

\* Students aged 16-18 may volunteer through their school work experience programs, contact Wild ARC for details

**Our Mission:** To protect and enhance the quality of life for domestic, farm and wild animals in British Columbia.
