

THE BC SPCA NEIGHBORHOOD "WINDOW WALK"

Create an animal-themed art gallery in your neighbourhood!
Put your pictures up in the window to share your art
creations with your neighbours and invite them to do the
same. When people are out for a walk they can check out all
of the art-filled windows from a safe distance!

- Day **1** Draw your favourite animal
- Day **2** Create an adoption poster and banner
for an animal at your local shelter
- Day **3** Design a paper plate animal mask
- Day **4** Make an emergency pet information
sheet for EMS Workers
- Day **5** Research and draw an endangered
species. Include some ways to help
save it from extinction
