

# Farm Animal Guess Moo (Who)?

#### Materials: Pencil or pen

#### **Directions:**

Scientists study animals to learn more about their lives, emotions, intelligence and behaviours. This study is called *Animal Welfare*. Read the clues below and guess which farm animal or animals goes with each clue. Put a tick in the box or boxes beside the clue - Chicken, Cow, Pig or Horse. Flip the page over to find out if you guessed correctly.

	Chicken	Cow	Pig	Horse
I like to play with toys				
l take baths				
l can recognize others' faces				
I like water and can swim				
I like to kick a ball around				
I have friends I prefer to hang out with				
I talk to my baby before they are born				
l enjoy solving puzzles				
I know my name when called				
l protect my skin from the sun				
Sadly, sometimes I get bullied				
I can find my way if I get lost				
l babysit other mother's young				

### Additional Resources

Hint: Some answers will match more than one farm animal!

This activity was inspired by Who Am I (2013), by the Institute for Humane Education. https://humaneeducation.org/resources/2013/who-am-i/
