

# Treat toys for pets

Everyone likes receiving a special gift, even our pets. Recycle used cardboard rolls into gift boxes, place a cat or dog treat inside to give to your pet or make one for everyone in your family!

**Materials:** cardboard tubes, scissors, colouring utensils

## Directions:

**1**

Print out the owl pieces page attached to this activity, colour the pieces then cut them out.

**2**

Fold the top and bottom of the tube as shown here.

**3**

Glue the pieces onto the tube. Tip: if you are giving this to your pet please use non-toxic glue.

### Parent Tip:

If you don't have a furry friend to give the box to you can tie a string to the top and hang it up. Discuss some amazing Owl facts found in the additional resources link.
